**IMPORTANT NOTE!**

The BreezeBy electronic tolling system offers discounted tolls for drivers crossing the Hood River-White Salmon Bridge and the Bridge of the Gods in Cascade Locks. Breezeby account holders pay \$1.75 per crossing on the Hood River Bridge and \$1.25 per crossing on the Bridge of the Gods.

**IF you drive through the booth without stopping, an invoice will be mailed to the vehicle's registered owner.**

Cash toll without a BreezeBy for the Bridge of the Gods in Cascade Locks is \$3. Cash toll for the Hood River Bridge is \$3.50. Tolls increase for larger vehicles and trailers.

BreezeBy stickers are available at the Port of Hood River.

**NOTE:**

The Hood River-White Salmon Interstate Bridge transitioned to all-electronic tolling on April 1, 2025, with the permanent closure of the tollbooth. There is still a tollbooth at the Bridge of the Gods for cash payments.
